

Four horizontal dotted lines providing space for text or drawing.

Discodoris atromaculata (Bergh, 1880) / Puž dalmatiner / Sea snail / Vaccheta

Foto: Sandra Kamerla Buljić

Sabella spallanzani (Gmelin, 1791)
Perjanicar / European Fan Worm / Ombrella di mare

Foto: Anton Prekaj

Octopus vulgaris (Cuvier, 1797) / Hobotnica / Common octopus / Polpo comune

Foto: Anton Prekalj

Cratena peregrina (Gmelin, 1791) / *Kratena, Resičar* / Sea snail / *Lumaca pellegrina*

Foto: Sandra Kamerla Buljić

Flabellina affinis (Gmelin, 1791) / *Flabelina* / Sea snail / *Flabellina rosa* (lila)

Foto: Anton Prekalj

Tylodina perversa (Gmelin, 1791) / *Tilodina* / *The Yellow Tylodina* / *Tilodina gialla*

Foto: Anton Prekalj

Biocenoza infralitoralnih šljunaka / *Infralittoral rocks and gravels* / *Biocenosi delle ghiaie infralittorali*

Foto: Denis Hudoletnjak

Pinna nobilis (L., 1758)

Pleminita periska / The Noble Pen Shell / Pinna comune

Foto: Denis Hudoletnjak

Chromis chromis (L., 1758) / Crnej / The Damselfish / Castagnola
Codium bursa (Olivi) C. Agardh, 1817 / The Green Sponge Ball / Palla verde

Foto: Anton Prekalj

Sarpa salpa (L., 1758) / *Salpa* / *Salema* / *Salpa*

Foto: Anton Prekalj

Hippocampus guttulatus (Cuvier, 1829)
Konjić dugokljunić / The Long-Snouted Seahorse / Cavalluccio marino

Antedon mediterranea (Lamarck, 1816) / *Sredozemna dlakavica* / *The Feather Star* / *Giglio di mare*

Foto: Anton Prekalj

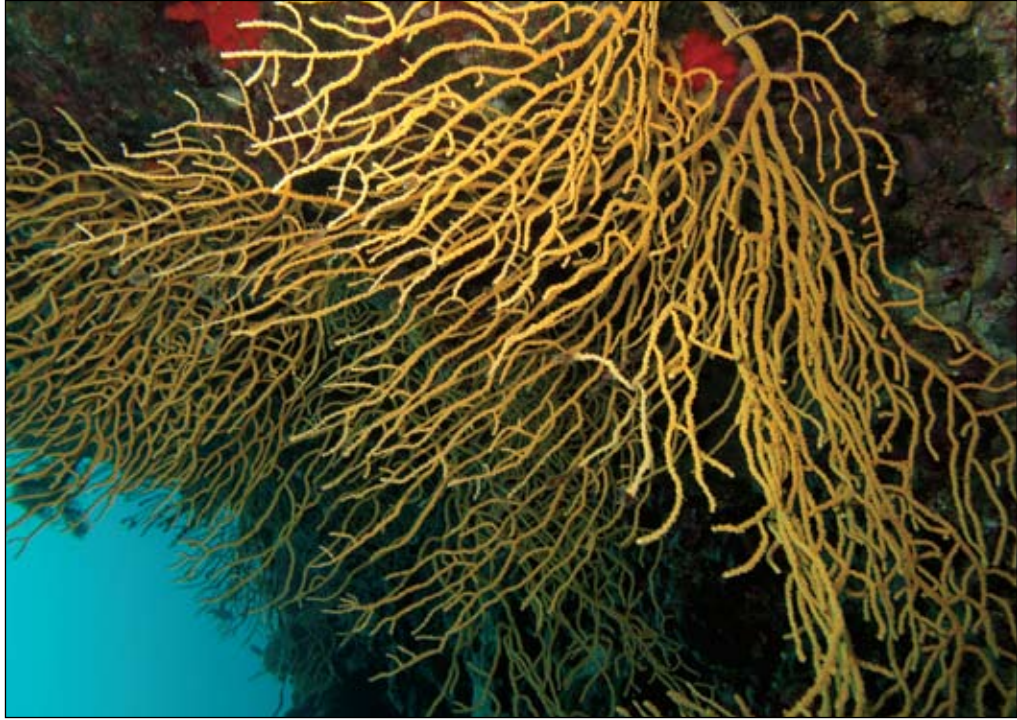

Axinella polypoides (Schmidt, 1862)
Zvijezdata rogijača / The Common Antlers Sponge / Spugna alberello

Parazoanthus axinellae (Schmidt, 1862)

Koralj žuta korasta moruzgva / The Yellow Cluster Anemone / Margherita di mare

Foto: Anton Prekalj

Eunicella cavolini (Koch, 1887)

Žuta rožnjača / The Yellow Gorgonian / *Gorgonia gjalla*

Parerythropodium corralloides (Pallas, 1766) / Lažni koralj

Foto: Anton Prekalj

Rhizostoma pulmo (Macri,1778) / Morska pluća / The Rhizostome Jellyfish / Polmone di mare

Foto: Anton Prekalj

Posidonia oceanica ((L.) Delile, 1813) / *Oceanski porost, posidonija* / *The Neptune Grass* / *Posidonia*

Foto: Latinka Janjanin

Scyllarus arctus (L.,1758) / Zezavac / The Slippery Lobster / *Magnosella*

Foto: Sandra Kamerla Buljić

Echinaster sepositus (Retzius, 1783)
Crvena zvezdača / The Red Starfish / Stella rosa

Foto: Anton Prekalj

Trypterigion melanurus (Guichenot, 1850) / Pjevčič sičušni / The Pigmy Black-Faced Blenny / Peperoncino minore

Foto: Anton Prekalj

Leptopsammia pruvoti (de Lacaze-Duthiers, 1897) / Žuta čaška / The Sunset Cup Coral / Madrepora gialla

Foto: Anton Prekalj

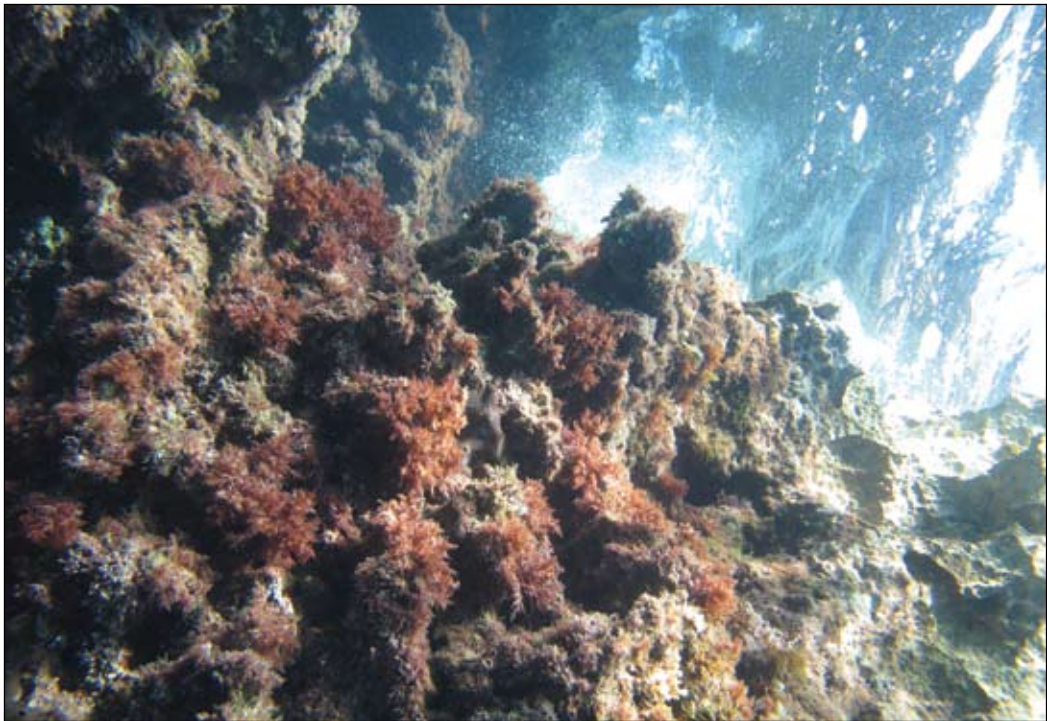

Biocenoza polutamnih špilja / *Biocenosis of semi-dark caves* / *Biocenosi delle grotte semibuie*

Foto: Anton Prekalj

Scorpaena scrofa (L., 1758) / Škrpina / The Red Scorpionfish / Scorfano rosso

Foto: Anton Prekalj

Biocenoza infralitoralnih algi / *Biocenosis of infralittoral seaweeds* / *Biocenosi delle alghe infralittorali*

Foto: Anton Prekalj

Potopljena morska špilja / Submerged sea cave / Habitat marini sommersi

Foto: Denis Hudoletnjak

Porella cervicornis (Pallas, 1766) / Jelenorog / Corna di cervo, Porella

Foto: Sandra Kamerla Buljić

Galathea strigosa (L., 1761) / Strigljač / The Spinous Squad Lobster / Galatea

Foto: Anton Prekalj

Homarus gammarus (L., 1758) / Hlap / The European Lobster / Astice

Foto: Anton Prekalj

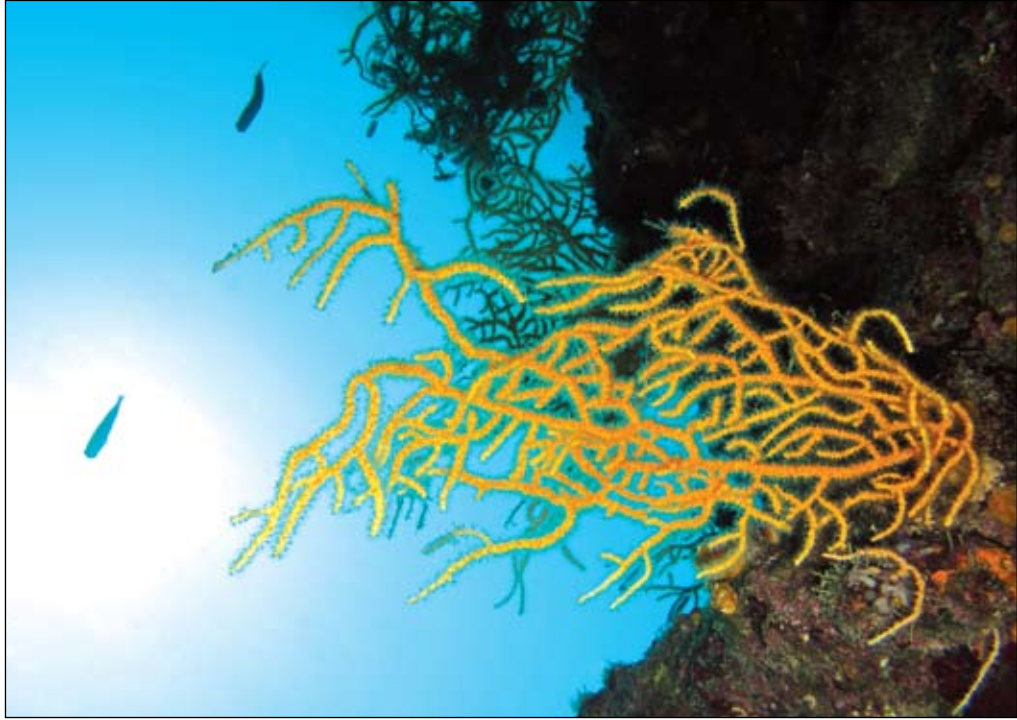

Conger conger (L., 1758) / Ugor / The Conger / Grongo

Haliclona mediterranea (Griessinger, 1971) / Haliklona / The Pink Tube Sponge / Spugna a canne d'organo

Foto: Anton Prekalj

Eunicella cavolini (Koch, 1887)

Žuta rožnjača / The Yellow Gorgonian / Gorgonia gjalla
